

## PRESS RELEASE

### Connectmedical expands the team

Connectmedical a division of Medendium Group Publishing Ltd, publishers of *Guidelines*, *Guidelines in Practice* and *Medendium*, has expanded with the appointment of three new team members.

Glynis Sutton has worked within the pharmaceutical industry for 21 years and will be project managing Connectmedical *Guidelines* and *Guidelines in Practice* medical education initiatives.

Sherief Hassan has 10 years production experience in TV and film and has experience of working with the NHS. Sherief will be in charge of the production of Connectmedical *Guidelines* workshops and the *Guidelines in Practice* awards and conferences.

Mona Munonyara has a degree in pharmacology and has 2 years editorial experience working on a number of journals with the Society for Endocrinology. Mona joins as Assistant Editor working on the Connectmedical *Guidelines* and *Guidelines in Practice* medical education initiatives.

Connectmedical specialises in positioning your brand through clinical guidance.
