PRESS RELEASE

New appointments at MGP

Medendium Group Publishing Ltd, the publisher of *Guidelines*, *Guidelines in Practice* and *Medendum*, is pleased to announce two new appointments to the team.

Valerie Benfield has been appointed as Marketing Manager. Valerie has over 20 years marketing and sales experience in the pharmaceutical industry. She will work with the management team in developing business to meet the needs of the industry. In addition, Valerie takes responsibility for the smooth delivery of the *Guidelines in Practice* Awards and *Guidelines* and *Guidelines in Practice* medical education events organised by Connectmedical.

May-Lin Ang has been appointed as Editorial Assistant to work on *Guidelines in Practice* and Connectmedical medical education initiatives. May-Lin has a degree in biochemistry and joins following the completion of her PhD.

Connectmedical is the medical education projects division of Medendium Group Publishing Ltd.
